# Learn About your Retirement Plan and Benefits with an MSRS Representative

September 14, 2015

We provide the best value in government administrative services by emphasizing: **customer satisfaction, continuous improvement** and **employee engagement.**

Saving for your retirement is both an exciting and stressful experience. All Admin employees are invited to meet with a Minnesota State Retirement System (MSRS) representative for an individual retirement counseling session. You'll learn about the benefits and features of your retirement accounts, including information on:

- State Pension Plan
- Minnesota Deferred Compensation Plan (MNDCP)
- Health Care Savings Plan (HCSP)

## When are the sessions?

Minnesota State Retirement System (MSRS) representatives will be available to serve employees in the Admin and Centennial buildings. Information regarding these two sessions is listed below:

- **Centennial Office Building**  
Thursday, September 24  
Room 353
- **Admin Building**  
Friday, September 25  
Room 116C
