

Artwork will be installed September 20-23 (not including Sunday the 22nd, but possibly 24-25 as well) at the Robert Street station on the street side of the station, requiring southbound Robert Street to close between 12th and 14th. Safety Signs will do a detour with proper signage, and will detour cars to 14th/Jackson/12th. The detour will get taken down each night and put up each morning.
