RE: Electronic Health Records

[Minnesota Statute 62J.495](#) mandated implementation of electronic health records (EHR) by January 1, 2015, for all MN health care providers. The Minnesota Department of Health serves as the primary resource for issues and inquiries relating to EHR in Minnesota. Below are links with information regarding applicability and compliance.

Minnesota Department of Health e-Health Division: <http://www.health.state.mn.us/e-health/>

Resources for Electronic Health Record Information: <http://www.health.state.mn.us/e-health/ehr.html>

Guidance for Understanding the Minnesota 2015 Interoperable EHR Mandate:
