To Whom It May Concern,

On behalf of the Minnesota Board of Dentistry, I am pleased to announce that we have selected Ms. Bridgett Anderson as our Board's Executive Director. Ms. Anderson comes to us with a wealth of experience and knowledge. She has a Master's degree in Business Administration, as well as being a Licensed Dental Assistant in our state. Her most recent work experience has been representing the Minnesota Dental Association as their Director of Regulatory Affairs. Ms. Anderson's start date will be February 16, 2016. We look forward to supporting Ms. Anderson as she steps into this new leadership role.

Additionally, I'd like to thank Joyce Nelson who has served in the capacity of Interim Executive Director since June of 2015. Joyce has done a magnificent job leading the entire Board staff through this transition period. Thank you to the entire staff for working together and functioning as a truly high performing team.

Sincerely,

David S. Gesko, DDS; Past Board President

Steven Sperling, DDS; Current Board President
