Government

Legislative Changes

Major changes for the lawful gambling industry took effect on July 1, 2012, with the legislative authorization of electronic pull-tab games and electronic bingo games and reductions in the lawful gambling tax rates. For more information, go to www.gcb.state.mn.us.

Rule Changes

The Board last completed extensive revisions to its rules that became effective March 1, 2011. Changes included manufacturing standards for promotional tickets, electronic bingo devices, and pull-tab dispensing devices. The Board also addressed statutory changes that occurred in 2007, 2008, and 2009.

Due to the legislative changes that took effect on July 1, 2012 (as noted above), the Board has the authority to promulgate any rules that may be necessary for electronic pull-tab games and electronic bingo games.

Local Government

VOLUNTARY CONTRIBUTIONS

- Organizations may provide voluntary contributions to units of government (under lawful purpose code A10) for government programs and projects of the United States, the state of Minnesota, or local units of government.
 - In fiscal year 2012, a total of \$7,946,000 was contributed to units of government for "voluntary" contributions allowed under code A10.
- The city or county is not required to report the receipt of these contributions to the Board.

10% CONTRIBUTION FUND, WHEN MANDATED BY ORDINANCE

As established by ordinance, a city or county (not a township) may require an organization to contribute up to 10% per year of net profits to a fund that the city or county administers.

- The city or county may only spend the fund for charitable contributions (Minn. Stat. 349.12, subd. 7a), or for police, fire, and other emergency or public safety-related services, equipment, and training.
- The fund may not be used for the payment of pension obligations or general government functions.
- A licensed organization that contributes to the 10% fund may not be a beneficiary of the fund.
- A city or county that has a 10% fund must submit a report to the Gambling Control Board by March 15.

√ In calendar year 2011, 63 cities required 10% fund contributions as mandated by their city ordinance.

- A total of \$811,000 was contributed to cities for 10% funds.
- Cities reported a balance of \$1,420,000 for future distribution.

An integral part of the Board's mission is educating the lawful gambling industry. To ensure the integrity of the industry, education is provided to organizations through the following opportunities.

Continuing Education Classes

Gambling managers are required to attend one class each calendar year.

Continuing education classes are conducted at various locations throughout the state free of charge and are open to the public. The chief executive officer, members, and employees of the organizations are invited as well.

56 continuing education classes were provided during the fiscal year 2012. Topics include: internal controls, Legislative updates, lawful expenditures, illegal gambling, and reporting requirements.

OTHER EDUCATION PROGRAMS

Gambling Manager Seminars

Gambling manager seminars are conducted each month by Board staff. Each seminar consisted of two days of training and included information on statutes, rules, conduct of lawful gambling, internal controls, reporting and licensing requirements, and the organization's responsibilities.

Mentoring

The Board's mentoring program provides one-on-one training to organizations on how to properly manage their gambling operation and comply with all reporting requirements. The program also provides guidance to licensed organizations that have experienced serious operational difficulties. New organizations or existing organizations with a new gambling manager may voluntarily participate in this program.

Staff also participated in numerous speaking engagements throughout the state at conferences and conventions, such as American Legion, VFW, Eagles, and Lions.

Education Program

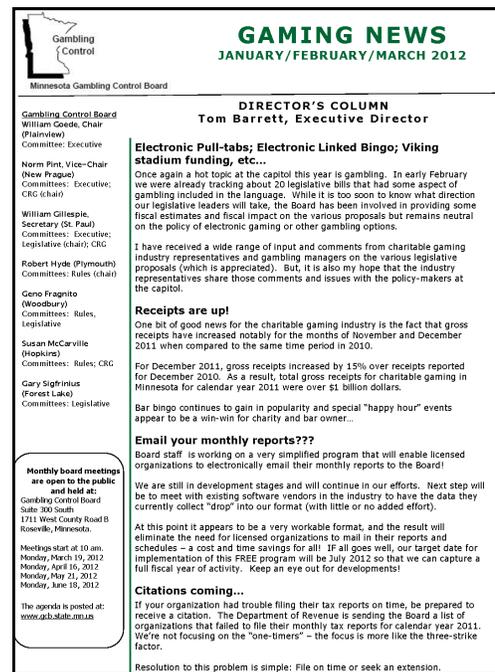

Gaming News

The Board publishes the quarterly *Gaming News* newsletter on its web site at www.gcb.state.mn.us. The newsletter is mailed to all licensed gambling managers.
