STRATEGIES

We work to provide equal access to fair and timely review of disputes before us by:

- Reviewing the evidentiary record created by the initial decision making body;
- Presiding over oral arguments;
- Conducting necessary legal research;
- Deciding the issues; and
- Issuing appropriate written orders, decisions and memoranda.

RESULTS

We decide disputes before us promptly under our statutory mandate to:

- Ensure the quick and efficient delivery of benefits to injured workers at a reasonable cost to employers;
- Maintain economic stability for injured workers and their families;
- Provide for appropriate medical treatment of work-related illnesses and injuries;
- Support a competitive business climate for Minnesota employers by reducing the amount of litigation; and
- Support employers in creating safe and healthy work environments.

Decisions are written to inform the parties and the public of the bases for the court's decisions and to create a consistent body of law interpreting and applying the Minnesota Workers' Compensation Act. Our decisions are provided to the public both in published volumes and at: <http://search.state.mn.us/workcomp/>.
