CEASE AND DESIST ORDER**

Bryan Carpenter

Board File No. 2025-0008

STIPULATION

Bryan Carpenter ("Respondent") and the Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design's Complaint Committee stipulate that, subject to Board's review and discretionary approval, the Board may issue a consent order that imposes the following sanctions:

A. Respondent shall pay to the Board a civil penalty of \$4,000. Respondent shall submit the civil penalty by check to the Board within 60 days of the Board's approval of this Settlement Agreement and Cease and Desist Order.

B. Respondent shall cease and desist from practicing as a Professional Engineer in Minnesota until such time as he becomes licensed as a Professional Engineer in the State of Minnesota.

C. Respondent shall comply with all statutes and rules within the Board's jurisdiction. *See Minn. Stat. §§ 326.02–.15 (2024) and Minn. R. chs. 1800 & 1805 (2023).*

D. Respondent shall report in writing within ten days any and all violations of this Settlement Agreement and Cease and Desist Order to the Board's Executive Director.

Respondent and the Committee enter into this settlement agreement based on the following findings of fact, conclusions of law, and other stipulated provisions:

Findings of Fact

1. Respondent is not now, nor has he ever been licensed as a Professional Engineer, in the State of Minnesota.

2. Respondent is an Associate with an architecture firm located in Minnesota.

3. Respondent made revisions to plans that had previously been signed and certified by a licensed Professional Engineer during a preliminary design review (PDR) with the City of Minneapolis. These plans were submitted using the Professional Engineer's signature and certification without his knowledge.

4. Revision 4 was submitted on May 5, 2024. Revision 5 was submitted on May 31, 2024. Revision 6 was submitted on June 13, 2024.

5. The plans were approved by the City of Minneapolis on June 17, 2024.

6. Respondent emailed the Professional Engineer on June 17, 2024, stating in part: "I took the liberty to draft over your original PDF sheets since the PDR process involved several back and forth requests leading up to our eventual approval...The scope changes are mostly additions to scope, notes, and additional City plates requested by the PDR reviewers, (see the revisions on the PDFs). You can accept these documents as your record set, or complete the changes on your original documents."

7. Respondent emailed the City of Minneapolis on June 25, 2024, after communicating with the Professional Engineer and learning that these revisions should have been processed and approved by him.

8. The City of Minneapolis replied the following day, stating "We can do a [sic] revisions after approval review for PDR [project] to get those sheets reviewed and stamped. Please fill out the attached form and return it to me to get started."

9. The Professional Engineer was not informed of this opportunity to revise, review, and re-stamp the plans until January 31, 2025, due to errors in communication between Respondent and other parties involved with the project.

Conclusions of Law

1. The Board has authority to license and regulate the practice of professional engineering and to take disciplinary action as appropriate. Minn. Stat. § 326.111 (2024).

2. Respondent violated Minn. Stat. §§ 326.02, subd. 1 and 3, 326.03, subd. 1, 326.12, subd. 3, and 326.15 (2024).

3. Respondent is subject to discipline pursuant to Minn. Stat. § 326.111 subds. 3 and 6.

4. This Settlement Agreement and Cease and Desist Order is in the public interest.

Other Stipulated Provisions

1. This Settlement Agreement and Cease and Desist Order must be approved by the Board to become effective.

2. Respondent agrees that the Committee may move the Board *ex parte*, with or without advance notice to the Respondent, to approve this Settlement Agreement and Cease and Desist Order. Respondent understands that the Board may either approve the Settlement Agreement and Cease and Desist Order or not approve it. This settlement agreement and the files, records, and proceedings associated with this matter may be reviewed by the Board in its consideration of the Committee's motion.

3. If approved by the Board, this Settlement Agreement and Cease and Desist Order shall be classified as public data. Minn. Stat. § 13.41, subd. 5 (2024). The Board will post a copy of this order on its website. The Board will also send a summary to the national discipline data bank pertaining to the practice of professional engineering, if applicable.

4. If the Board does not approve this Settlement Agreement and Cease and Desist Order, then the matter remains unresolved and the Committee may either seek to negotiate a revised Settlement Agreement and Cease and Desist Order with Respondent to present to the Board or issue an order commencing a contested-case hearing before an Administrative Law Judge at the Office of Administrative Hearings. See Minn. Stat. §§ 14.57–.62, 214.10, subd. 2 (2024) (describing administrative hearing process).

5. Respondent agrees that if this case comes before the Board again after it reviews and discusses this Settlement Agreement and Cease and Desist Order, Respondent waives any claim that the Board was prejudiced by its review and discussion of this Settlement Agreement and Cease and Desist Order and any records relating to it.

6. Respondent acknowledges that they were advised by the Committee of their right to a contested-case hearing in this matter before an Administrative Law Judge, to file exceptions and make argument to the Board after the hearing, and to seek judicial review from any adverse decision rendered by the Board. Respondent hereby expressly waives those rights. Respondent was further advised by the committee of their right to be represented by counsel and that they knowingly waive that right.

7. Respondent has read, understands, and agrees to this settlement agreement and has voluntarily signed it. It is expressly understood that this settlement agreement contains the entire agreement between the parties, there being no other agreement of any kind, verbal or

otherwise. If approved by the Board, a copy of the final Settlement Agreement and Cease and Desist Order shall be served personally or by first class mail on Respondent. The Board's order shall be effective when it is signed by the Chair of the Board or the Chair's designee.

8. Pursuant to Minn. Stat. § 16D.13 (2024), any civil penalty imposed by this Settlement Agreement and Cease and Desist Order shall begin to accrue simple interest in accordance with that section thirty days after the civil penalty is due. Pursuant to Minn. Stat. § 16D.17 (2024), thirty days after any civil penalty imposed by this Settlement Agreement and Cease and Desist Order is due, the Board may file and enforce any unpaid portion of the civil penalty as a judgment against Respondent in district court without further notice or additional proceedings.
