Re: Reliance Letter for Phase I Environmental Site Assessment  
Big Lake Industrial Park Expansion  
North of 177<sup>th</sup> Street NW  
Big Lake, Minnesota

To Whom It May Concern:

This firm provided a Phase I Environmental Site Assessment (Phase I ESA) Report dated December 12, 2007. Our report, entitled *Phase I Environmental Site Assessment, Big Lake Industrial Park Expansion, North of 177<sup>th</sup> Street NW, Big Lake, Minnesota* (Braun Intertec Project Number SC-07-05820) describes the scope, methods and conclusions of our Phase I ESA. Our work was performed in general conformance with the scope and limitations of ASTM Practice E 1527-05 (ASTM Standard). Our work was directed by the contract made with Bolton & Menk, Inc., the City of Big Lake, the Big Lake Economic Development Authority, and Big Lake Township in accordance with our Scope of Services and Braun Intertec General Conditions, which were part of our contract.

Klein Bank may rely on the Phase I ESA report to the same extent as Bolton & Menk, Inc., the City of Big Lake, the Big Lake Economic Development Authority, and Big Lake Township and are entitled to rely on the Phase I ESA according to our contract with Bolton & Menk, Inc., the City of Big Lake, the Big Lake Economic Development Authority, and Big Lake Township and under the same terms, conditions and circumstances. Please note that our contract with Bolton & Menk, Inc., the City of Big Lake, the Big Lake Economic Development Authority, and Big Lake Township may contain a limitation of our total liability. If so, such limitation also applies to all those receiving this permission.

There have been no additional amendments or addenda to the Phase I ESA report. Please note that our contract with Bolton & Menk, Inc., the City of Big Lake, the Big Lake Economic Development Authority, and Big Lake Township does not provide for any continued monitoring of the Site beyond the date and circumstances described in the Phase I ESA report.
