NOTES

DEED has calculated the above performance by combining participants served in both Small and Large layoffs.

The federal government sets performance goals for the state. This chart shows how well providers met those goals.

Served is all enrolled participants during the current program year to date. High or low is not negative or positive.

Wage standards vary by provider based on their regional labor market. Multiply by two for an annual wage estimate.

Current Getting a Job Results based on exiters from 10/1/14 - 9/30/15

Current Keeping a Job Results based on exiters from 4/1/14 - 3/31/15

Current Two Quarter Wage Results based on exiters from 4/1/14 - 3/31/15

If no data is available within the current cohorts the fields affected in this chart show as 'Data Pending'
