# **Capitol Area Library Consortium**

# **CALCO DIRECTORY**

#### Introduction

Mission: CALCO libraries work cooperatively to promote and enhance library and information services in state government through our unique and diverse collections.

The Capitol Area Library Consortium (CALCO) is a group of libraries and information centers serving the executive, legislative, and judicial branches of Minnesota state government and the citizens of Minnesota. CALCO welcomes other libraries, organizations, and individuals as associate members, who may attend meetings and educational programs.

CALCO was formed in 1973 to encourage cooperation among the government libraries. Today CALCO libraries belong to a statewide on-line library catalog (MnPALS), share information resources among CALCO libraries and statewide through Minitex, provide Internet guidance and leadership, cooperate in acquiring federal depository documents and other materials, participate in long range planning, advise on the development of state government libraries, and offer continuing education programs.

This directory identifies the member libraries of CALCO, their staff, and their public services policies. It also provides contact information for associate members. We hope that this directory will help to distribute Minnesota state government information to the library community and the citizens of Minnesota.

If you have changes to your library's entry, please email jim.byerly (at) state.mn.us.

# **MnPALS**

CALCO library catalogs are available in MnPALS. See individual library listings in this directory for links to their catalogs.

#### **BRIEF DESCRIPTION OF COLLECTION**

We maintain an electronic collection of both braille and audiobooks. We transcribe books in audio and braille formats for post-secondary, K-12, vocational, informational and leisure requests on a statewide basis. Access to the collection is limited to those having qualifying print disabilities as certified by the National Library Service (NLC). Braille and audiobooks are available in several accessible special formats.

### **ABOUT**

State Services for the Blind (SSB) is a division of the Minnesota Department of Employment and Economic Development (DEED). Our Communication Center is a unique entity that facilitates the production and use of accessible reading materials for qualifying individuals. We consist of an Audio, Braille and Radio Talking Books section. The Communications Center distributes and repairs audio playback equipment, generates audio recordings on demand, and produces the Radio Talking Book service with 24/7 radio programming. We maintain a strong partnership with Minnesota Braille and Talking Book Library (MBTBL), a division of Minnesota Department of Education.
