

## **QUALITY IMPROVEMENT**

### **RFP Questions and Answers September 19, 2022**

Q1: I am very interested in responding to your RFP for Quality Improvement at GCDD. One of the areas I specialize in is [...]. However, the amount of money available for the project is extremely low. Is there any chance of making more money available for this project?

A1: RFP Section 3, Part 1 is quoted below. There is a good opportunity for the current funding for Quality Improvement to continue annually. From time to time, additional funding may be available for special projects.

#### **1. Anticipated Contract Term and Quality Improvement Budget.**

The initial term of this contract is anticipated to be from Mid-October 2022 to September 30, 2023. A contract resulting from this RFP process may be renewed for up to four additional years.

The budget for this work will be **\$20,000.00**. Continuation funding in subsequent years or additional funding is dependent upon the availability of federal funds and satisfactory performance of the contractor.
