SUBJECT: Payment Management System (PMS)

CONTENT: The Department of Health and Human Services (HHS) has undertaken a major revision of its financial accounting systems. As part of this initiative, effective January 1984, the Payment Management System (PMS) replaced the Departmental Federal Assistance Financing System (DFAFS).

PMS will be the Department's "centralized single payment system and fiscal intermediary between the recipient and the HHS awarding component" and should be the point of contact for all recipients on cash matters.

Attached for your information and reference is a copy of The DHHS Manual for Recipients Financed Under The Payment Management System (PMS). This manual provides information on the Basic Functions of PMS, Methods For Obtaining Federal Cash, Accounting Requirements for Recipients, Recipient Cash Disbursement Reporting to PMS - Requirements and Instructions, Other Recipient Reporting to PMS: Collection of Accounting Data and Other Reporting Considerations, Reconciliation Requirements, Audits and Other Adjustments, and Block Grant Financing.
