INFORMATION MEMORANDUM

TO : Executive Directors, State Planning Councils
Chairpersons, State Planning Councils
Directors, State Administering Agencies
Directors, University Affiliated Facilities

SUBJECT : Determination of Poverty Area

LEGAL AND RELATED
REFERENCES : Developmental Disabilities Assistance and Bill
of Rights Act of 1984, Public Law 98-527
45 CFR Parts 1385, 1386 and 1387, Developmental
Disabilities Program

INFORMATION : The Federal share of all projects to be provided
through an allotment under Part B of the
Developmental Disabilities Act of 1984, Public
Law 98-527, shall not exceed seventy-five (75)
percent of the aggregate necessary costs of such
projects, except that in the case of projects
located in an urban or rural poverty area, the
Federal share shall not exceed ninety (90)
percent of the aggregate necessary costs of such
projects, as determined by the Secretary.
(Reference: Section 103(a)).

The Federal share of any project to be provided
through grants under Part D of Public Law 98-527
shall not exceed seventy-five (75) percent of
the necessary cost of such project, except that
if the project is located in an urban or rural
poverty area, the Federal share shall not exceed
ninety (90) percent of the project's necessary
costs as so determined by the Secretary.
(Reference: Section 103(b)).

If a project consists of multiple sites, and
some are located in poverty area tracts and
others are located in non-poverty area tracts,
decisions about the matching rate to be used for
the entire project will be made on a
case-by-case basis.

For purpose of SS 103(a) and 103(b) of the Developmental Disabilities Assistance and Bill of Rights Act, the Secretary has determined that urban or rural poverty areas are those that meet the definition of the United States Census Bureau for such areas. The definition is that a poverty area is an area where not less than twenty (20) percent of the population is below the poverty level.

Every Census tract in a State is listed and designated as either a poverty or nonpoverty area. The Administration on Developmental Disabilities will use the information published by the State Data Centers and the Census Bureau to verify that any areas identified by a State as poverty areas are listed as such by the Census Bureau.

For specific information, please contact the State Data Center in your State which maintains the information published by the U.S. Census Bureau. A listing of the applicable State Data Centers is attached.
