INFORMATION MEMORANDUM

TO:

Directors, Designated State Agencies Directors, State Planning Councils Chairpersons, State Planning Councils

Directors, State Protection and Advocacy Agencies

SUBJECT:

FEDERAL REGISTER "Notification of the Revised Fiscal Year 1995 Federal Allotments to States administering the State Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs"

CONTENT:

Pursuant to Section 125 of the Developmental Disabilities Assistance Bill of Rights Act, attached is a copy of the Federal Register notice of June 23, 1994, of the Administration on Developmental Disabilities' Revised Federal Allotments to States administering the Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs for Fiscal Year 1995. This revision is required because Public Law 103-230, signed April 6, 1994, revised the formula used to calculate these allotments. The revised allotments published herein supersede those published in the Federal Register on March 29, 1994. These allotments are based on the most recent data available for population, extent of need for services for persons with developmental disabilities, and the financial need of the States.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Revised Federal Allotments to State Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs for Fiscal Year 1995

AGENCY: Administration on Developmental Disabilities, Administration for Children and Families, Department of Health and Human Services.

ACTION: Notification of the Revised Fiscal Year 1995 Federal Allotments to State Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs.

SUMMARY: This notice sets forth the revised Fiscal Year 1995 individual allotments to States administering the State Developmental Disabilities Councils and Protection and Advocacy programs, pursuant to Section 125 and Section 142 of the Developmental Disabilities Assistance and Bill of Rights Act (Act). This revision is required because Public Law 103-230, signed April 6, 1994, revised the formula used to calculate these allotments. The amounts published herein are based upon the Fiscal Year 1995 Budget Request, and are contingent upon Congressional appropriations for Fiscal

Year 1995. If Congress enacts and the President approves an amount different from the Fiscal Year 1995 Budget Request, the allotments will be adjusted accordingly. The revised allotments published herein supersede those published in the Federal Register on March 29, 1994.

EFFECTIVE DATE: October 1, 1994. FOR FURTHER INFORMATION CONTACT: Bettye J. Mobley, Chief, Family Support Branch, Office of Financial Management, Administration for Children and Families, Department of Health and Human Services, 370 L'Enfant Promenade SW., Washington, DC 20447, Telephone (202) 401-6955. SUPPLEMENTARY INFORMATION: Section 125(a)(2) of the Act requires that adjustments in the amounts of State allotments may be made not more often than annually and that States are to be notified not less than six (6) months before the beginning of any fiscal year of any adjustments to take effect in that fiscal year.

The Administration on Developmental Disabilities has updated the data elements for issuance of Fiscal Year 1995 allotments for the Developmental Disabilities formula grant programs. The data elements used in the update are:

A. The number of beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program, December 1992, are from Table 5.J10 of the "Social Security Bulletin: Annual Statistical Supplement 1993" issued by the Social Security Administration, U.S. Department of Health and Human Services. The numbers for the Northern Mariana Islands and the Trust Territories of the Pacific Islands, were obtained from the Social Security Administration:

B. State data on Average Per Capita Income, 1987–92, are from Table 1, page 74 of the "Survey of Current Business," September 1993, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Territories also were obtained from that Bureau; and

C. State data on Total Population and Working Population (ages 18-64) as of July 1, 1992, are from "Current Population Reports: Population Estimates and Projections, Series P-25, Number 1010, issued by the Bureau of the Census, U.S. Department of Commerce. Estimates for the Territories are no louger available, therefore, the Territories population data are from the 1990 Census Fopulation Counts. The Territories' working populations were issued in the Bureau of Census report, "General Characteristics Report: 1980," which is the most recent data available from the Bureau.

¹In accordance with Public Law 103–230, Section 142(c)(5), \$998,940 has been withheld for funding technical assistance and American Indian Consortiums in Fiscal Year 1995. The statute provides for spending up to two percent (2%) of the amount appropriated under Section 143 to fund technical assistance. American Indian Consortiums are eligible to receive the minimum amount under Section 142(c)(1)(A)(i). Unused funds will be reallotted in accordance with Section 142(c)(1) of the Act.

Dated: June 17, 1994.

Bob Williams,
Commissioner, Administration on
Developmental Disabilities.
