**SUPPLEMENTARY INFORMATION:** Section 125(a)(2) of the Act requires that adjustments in the amounts of State allotments may be made not more often than annually and that States are to be

notified not less than six (6) months before the beginning of any fiscal year of any adjustments to take effect in that fiscal year. It should be noted that, as required by the Compact of Free Association, Palau's allotment has been adjusted to twenty-five percent of its Fiscal Year 1995 allotment. Also, in relation to the State DDC allotments, the description of service needs were reviewed in the State plans and are consistent with the results obtained from the data elements and projected formula amounts for each State (Section 125(a)(5)).

The Administration on Developmental Disabilities has updated the data elements for issuance of Fiscal Year 1998 allotments for the Developmental Disabilities formula grant programs. The data elements used in the update are:

A. The number of beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program, December 1995, are from Table 5.J10 of the "Social Security Bulletin: Annual Statistical Supplement 1996" issued by the Social Security Administration. The numbers for the Northern Mariana Islands and the Republic of Palau, were obtained from the Social Security Administration;

B. State data on Average Per Capita Income, 1991-95, are from Table 4 of the "Survey of Current Business," September 1996, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Territories also were obtained from that Bureau; and

C. State data on Total Population and Working Population (ages 18-64) as of July 1, 1995, are from the "Estimates of Resident Population of the U.S. by Selected Age Groups and Sex, CB96-88," issued by the Bureau of the Census, U.S. Department of Commerce. Estimates for the Territories are no longer available, therefore, the Territories population data are from the 1990 Census Population Counts. The Territories' working populations were issued in the Bureau of Census report, "General Characteristics Report: 1980," which is the most recent data available from the Bureau.
