CONTENT: Several State Agencies have indicated that there will be problems in meeting the implementation date for filing expenditure reports under the new format as required in ADD-PI-87-1 (i.e., the quarter ending March 31, 1987). We are extending the effective date of ADD-PI-87-1 to the first quarter of fiscal year 1988 (i.e., the quarter ending December 31, 1987).

Expenditure reports submitted for quarters prior to fiscal year 1988 may be in either format.

EFFECTIVE DATE: Upon issuance. ADD-PI-87-1 becomes effective in FY 1988 beginning with the expenditure report due for the quarter ending December 31, 1987.
