TO: Hon. Yvonne Prettner Solon
Deputy Commissioner Anne Barry

FROM: David Ferleger 

SUBJECT: ¶4, Court's January 22, 2014 Order – Olmstead Plan

As you know, the Court's Order of January 22, 2014 provisionally approving the *Olmstead* Plan included a special directive for updates regarding "progress toward moving individuals from segregated to integrated settings." (¶4, p. 3).

The first update, limited to 20 pages, is due about April 22, 2014.

I respectfully suggest that you consider well in advance of the deadline how to address the Court's directive. I offer to discuss this with you at your convenience and, in addition, I respectfully suggest that you provide me for discussion an advance draft of your response.

Thank you for your consideration.
