

RETYPE AND REDACTED FROM ORIGINAL

July 6, 1945

Dear Mrs. _____

We have received our social worker's report of her visit to your home and in view of all the facts I cannot give my permission for _____ to return to you for either a vacation or on the basis of discharge.

_____ is doing well here. She is a girl who is very much retarded mentally. She is more like a girl of ten than a girl of eighteen. She would easily run into difficulties and would be easily led astray and imposed upon. She is rightfully placed in this institution where she can be protected and have the training which I am sure will be beneficial to her.

Very truly yours,

Superintendent
