

Children's Greed

In order to grow, each child deserves:

- Love, honor, and freedom from stigma throughout life;
- The celebration of being special;
- A life-sharing family, home, and nurturing adult support;
- A community of concern and friendships;
- Economic security, health, and the full benefits of modern technology with a varied continuum of services;
- Freedom from the threat of injury due to pollution of food, air, water, and the earth on which we dwell;
- The opportunity to grow, learn, choose, work, rest, play, be nourished, to experience well-being;
- Solitude when needed;
- Space, comfort, and beauty to discover himself/herself;
- The power to improve his/her environment;
- Justice;
- The dignity of risk, joy, and the growth of spirit;
- A valued social future.
