Fiscal Year 1988 Federal Allotment Percentages to States for Developmental Disabilities Basic Support and Protection and Advocacy Formula Grant Programs

AGENCY: Administration on Developmental Disabilities, Office of Human Development Services, Department of Health and Human Services.

ACTION: Notification of Fiscal Year 1988 federal allotment percentages for States for Developmental Disabilities Basic Support and Protection and Advocacy Formula Grant Programs.

SUMMARY: This notice sets forth the individual allotment percentages for States for Fiscal Year 1988 pursuant to section 125 of the Developmental Disabilities Assistance and Bill of Rights Act (Act). This notice assumes that Congress will reauthorize this Act. Current authorization for these programs expires on September 30, 1987. The allotment percentages for the States published herein are based upon the Fiscal Year 1987 funding levels, and are contingent upon Congressional appropriation action for Fiscal Year 1988. (Data for Fiscal Year 1987 are shown for comparative purposes only.) If Congress appropriates and the President approves an amount different from the Fiscal Year 1987 funding level, adjustments will be made accordingly. For example, should the funding level change, the statutory minimum funding provision would require changes to the percentages for individual States.

EFFECTIVE DATE: October 1, 1987.

FOR FURTHER INFORMATION CONTACT: Bettye Mobley, Chief, Formula Grants Management Branch, Division of Grants and Contracts Management, Office of Human Development Services, Department of Health and Human Services, 200 Independence Avenue, SW., Room 341F-4, Washington, DC 20201, telephone (202) 245-7220.

SUPPLEMENTARY INFORMATION: Section 125(a)(2), of the Act requires that adjustments in the amounts of State allotments may be made not more often than annually and that States are to be notified not less than six (6) months before the beginning of any fiscal year of any adjustments to take effect in that fiscal year.

The Administration on Developmental Disabilities has updated the data for issuance of Fiscal Year 1988 formula

grants. The data elements used in the update are:

A. The Number of Beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program, December 1984, are from Table 132 of the "Social Security Bulletin: Annual Statistical Supplement 1986" issued by the Social Security Administration, U.S. Department of Health and Human Services. The numbers for the Northern Mariana Islands and the Trust Territory of the Pacific Islands (the Federated States of Micronesia, the Marshall Islands, and Palau), included under 'Abroad' in the Table, were obtained from the Social Security Administration.

B. State data on Average Per Capita Income, 1983-85, are from Table 2, page 25, of the "Survey of Current Business", August 1986, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Trust Territories also were obtained from that Bureau; and

C. State data on Total Population and Working Population (ages 18-64) as of July 1, 1985, are from Table 4 of "Current Population Reports: Population Estimates and Projections," Series P-25, Number 998, issued December 1986 by the Bureau of the Census, U.S. Department of Commerce. The Territories' estimated total populations are from Table 1 of "Current Population Reports: Population Estimates and Projections," Series P-25, Number 997, issued November 1986 by the Bureau of the Census, U.S. Department of Commerce. New data elements are not available for the Trust Territory of the Pacific Islands since each of the three areas contained therein (The Federated States of Micronesia, The Marshall Islands, and Palau) have either negotiated compacts of free association with the United States or severed their previous relationship with the Trust Territory. Therefore, the FY 1987 data base was used as the basis for the FY 1988 allocation.

The above data are the most recent satisfactory data available at this time. The adjusted percentages are set forth below.
