**Revised Fiscal Year 1991 Reallocation for Basic Support and Protection and Advocacy Funds to States for Developmental Disabilities Expenditures**

**AGENCY:** Administration on Developmental Disabilities, Administration for Children and Families, Department of Health and Human Services.

**ACTION:** Correction notice: Revised Fiscal Year 1991 Reallocation Amounts under the Basic Support and Protection and Advocacy programs.

**SUMMARY:** This issuance sets forth the revised Fiscal Year 1991 reallocation amounts to States administering the Basic Support and Protection and Advocacy programs. This revision is required to correct the reallocation amounts published in the Federal Register on April 30, 1991, (56 FR 19888) which were based on appropriations prior to the sequestration. In accordance with the Omnibus Budget Reconciliation Act of 1990 (OBRA), a sequester was implemented which decreased the appropriations available for Basic Support and Protection and Advocacy programs by \$638 and \$273, respectively. Therefore, the funds available for reallocation to the States were reduced. Funds unavailable to the Trust

Territories of the Pacific Islands under the terms of the Compact of Free Association are available for reallocation and are re-distributed in the second column of the table below. The third column in the table below represents the revised final allotment for the Developmental Disabilities Basic Support and Protection and Advocacy programs in Fiscal Year 1991. The adjusted reallocations and revised allotments published herein supersede those published on April 30, 1991.
