The Administration on
Developmental Disabilities has updated
the data elements for issuance of Fiscal
Year 1994 allotments for the
Developmental Disabilities formula
grant programs. The data elements used
in the update are:

A. The number of beneficiaries in
each State and Territory under the
Childhood Disabilities Beneficiary
Program, December 1991, are from Table
5.J10 of the "Social Security Bulletin:
Annual Statistical Supplement 1992"
issued by the Social Security
Administration, U.S. Department of
Health and Human Services. The
numbers for the Northern Mariana
Islands and the Trust Territories of the
Pacific Islands, included under
"Abroad" in the Table, were obtained
from the Social Security
Administration;

B. State data on Average Per Capita
Income, 1986-91, are from Table 1, page
38 of the "Survey of Current Business,"
August 1992, issued by the Bureau of
Economic Analysis, U.S. Department of
Commerce; comparable data for the
Territories also were obtained from that
Bureau; and

C. State data on Total Population and
Working Population (ages 18-64) as of
July 1, 1991, are from "Current
Population Reports: Population
Estimates and Projections, Series P-25,
Number 1010, issued by the Bureau of
the Census, U.S. Department of
Commerce. Estimates for the Territories
are no longer available, therefore, the
Territories population data are from the
1990 Census Population Counts. The
Territories' working populations were
issued in the Bureau of Census report,
"General Characteristics Report: 1980,"
which is the most recent data available
from the Bureau.

¹ The 1990 Amendments to the Development Disabilities Assistance and Bill of Rights Act (the Act) provided that the Republic of the Marshall Islands, the Federated States of Micronesia and the Republic of Palau (formerly the Trust Territories of the Pacific Islands (TTPI)) each would receive a minimum allotment under the Basic Support formula program.

² Prior to the Act, TTPI has been eligible for a single minimum allotment under both programs, Basic Support and Protection and Advocacy. Under the 1990 Amendments, TTPI continues to be eligible for a single minimum amount under the Protection and Advocacy program; however, under the Compact of Free Association, Public Law 99-239, only the Republic of Palau continues to be eligible to receive funds under the Protection and Advocacy program. Therefore, the Republic of Palau will receive its proportional share of the TTPI allotment, and the remainder will be withheld for reallocation in accordance with section 142(b)(1) of the Act.
