The Administration on Developmental Disabilities has updated the data elements for issuance of Fiscal Year 1995 allotments for the Developmental Disabilities formula grant programs. The data elements used in the update are:

A. The number of beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program, December 1992, are from Table 5.J10 of the "Social Security Bulletin: Annual Statistical Supplement 1993" issued by the Social Security Administration, U.S. Department of Health and Human Services. The numbers for the Northern Mariana Islands and the Trust Territories of the Pacific Islands, were obtained from the Social Security Administration:

E. State data on Average Per Capita Income, 1987-92, are from Table 1, page 74 of the "Survey of Current Business," September 1993, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Territories also were obtained from that Bureau; and

C. State data on Total Population and Working Population (ages 18-64) as of July 1, 1992, are from "Current Population Reports: Population Estimates and Projections, Series P-25, Number 1010, issued by the Bureau of the Census, U.S. Department of Commerce. Estimates for the Territories are no longer available, therefore, the Territories population data are from the 1990 Census Population Counts. The Territories' working populations were issued in the Bureau of Census report, "General Characteristics Report: 1980," which is the most recent data available from the Bureau.

¹ The 1990 Amendments to the Developmental Disabilities Assistance and Bill of Rights Act (the Act) provided that the Republic of the Marshall Islands, the Federated States of Micronesia and the Republic of Palau (formerly the Trust Territories of the Pacific Islands (TTPI)) each would receive a minimum allotment under the Basic Support formula program.

² Prior to the Act, TTPI had been eligible for a single minimum allotment under both programs, Basic Support and Protection and Advocacy. Under the 1990 Amendments, TTPI continues to be eligible for a single minimum amount under the Protection and Advocacy program; however, under the Compact of Free Association, P. L. 99-239, only the Republic of Palau continues to be eligible to receive funds under the Protection and Advocacy program. Therefore, the Republic of Palau will receive its proportional share of the TTPI allotment, and the remainder will be withheld for reallocation in accordance with section 142(b)(1) of the Act.
