

07/01/2015	<a href="#">view</a> 467	<p>TEXT ONLY ORDER: The Court has been informed that DHS has made statements suggesting that there is no longer a Court Monitor in this matter. The Court's June 18, 2015 Order (Doc. No. <a href="#">462</a> ) expressly stated that during this mediation period, reporting by the parties and the Court Monitor is stayed, but the parties' obligations under the Settlement Agreement and subsequent Court Orders relating to compliance remain in place. In staying the reporting requirements, the Court released DHS from cumbersome reporting, but did not release DHS from complying with the Settlement Agreement and this Court's Orders. Please be advised that this topic will be discussed during the mediation meeting with Magistrate Judge Becky R. Thorson on July 6, 2015. Signed by Judge Donovan W. Frank on 7/1/2015.
