Jeff Skwarek CDCS Impact Analysis - Page 2

	CDCS Current	CDCS Proposed	Institution
Result:	Full Service. Needs met. Budget established & designed around unique consumer personal & program needs. Quality, integrated, comprehensive, *AAC customized approach. Defined objectives with measureable outcomes.	Adequate supports <i>cannot</i> be designed around this inadequate budget; eliminates day training and habilitation program & community inclusion support.	Below inadequate. System Centered. Threatens health and safety needs and habilitative requirements. Ignores specialty *AAC accommodations/needs. Wastes administrative dollars.
Financial Impact:	Budget designed around need, plus receives 54% private funds match to gov't dollars. Need for specialty accommodations achieved.	Budget cut by > 50%, and loss of 30% private funds match to gov't dollars. Specialty accommodations greatly diminished.	No budget change but loss of services and loss of specialty accommodations, plus loss of all private funds to match to gov't spending.
Self Determination Impact:	<u>Consumer Coice</u> ! (+ wiser use of dollars)	<u>Consumer at risk</u> . Forces institutionalization (Licensed Services)	Consumer rejected! due to past, life-long instituionalization experience & the loss of necessary specialty supports and services needed to thrive.
Consumer Profile:	34 years old	· •	
Developmentally Disabled	born with cerebral palsy institutionalized at 3 1/2 quadraplegic legally blind speechless mobility impaired uses complex alternative symbol language, not device proficient (*AAC communicator)		*AAC=Augmentative & Alternative Communication
	weighs 194 pounds cannot bear or shift weight requires total cares requires specialty language		(specialized communication)
High Level Needs	interpreter/interveener to direct cares & make needs known artifrically retarded due to		
(Represents < 1% of MR/RC Waiver Population)	mis-diagnosis, institutionalization & inadequate support/ development services		
	making great progress in self- designed school without walls program on CDCS Member, Gov. Council on
